

Annual Conference

Every autumn, county officials from around the state gather at the Wisconsin Counties Association's Annual Conference for educational opportunities and peer networking. The WCA Annual Conference, along with the WCA Marketplace, serves as the biggest gathering of county supervisors, county officials and those directly and indirectly involved in county government all year. The event presents a unique marketing opportunity for you to meet and interact with county decision-makers face-to-face.

Marketing opportunities at the Annual Conference & WCA Marketplace include:

- **Conference sponsorship packages** at the Platinum, Gold, Silver and Bronze levels. Packages include items such as exhibit booth space, recognition signage, promotion at events and meals and advertisements in conference publications.
- **Exhibit booth** at the WCA Marketplace.
- **General sponsorships of conference events** such as speakers, meals or receptions.
- **Ad in the conference program.** The roadmap of the conference includes critical information about the conference, as well as county official contact information and vendors in attendance.
