

**Resolution No. 7-0419**

**CREATING A NONPARTISAN PROCEDURE FOR THE PREPARATION OF  
LEGISLATIVE AND CONGRESSIONAL REDISTRICTING PLANS**

Under the Wisconsin Constitution, the State Legislature is directed to reapportion legislative districts following the decennial federal census according to the number of inhabitants. The legislature also reapportions congressional districts at the same interval pursuant to federal law. Because state and federal legislative redistricting is controlled by the majority party at the time of the redistricting, legislative and congressional plans in Wisconsin have been subject to partisan influence that puts the desires of politicians ahead of the electoral prerogative of the people. This practice of redistricting by the majority party stifles political competition, discourages compromise, ensures continued control by the party in power, and lacks the transparency necessary to reinforce citizens' faith in the democratic process. This resolution asks the State Legislature to enact legislation before the start of the next redistricting process following the 2020 federal census to pass legislation that creates a fair nonpartisan procedure for the preparation of state legislative and congressional redistricting plans.

**WHEREAS**, currently under the state constitution, the legislature is directed to redistrict legislative districts according to the number of inhabitants at its next session following the decennial federal census by the majority party; and at the same intervals, the legislature also reapportions congressional districts pursuant to federal law, and

**WHEREAS**, legislative and congressional redistricting plans enacted pursuant to this procedure are used to elect members of the legislature and members of Congress in the fall of the second year following the year of the census, and

**WHEREAS**, historically legislative and congressional plans in Wisconsin have been subject to partisan influence that put the desires of politicians ahead of the electoral prerogative of the people, and

**WHEREAS**, the 2011 process to draw the maps and fight litigation contesting those maps cost taxpayers nearly \$1.9 million, and

**WHEREAS**, a panel of federal district court judges has ruled that the redistricting that was done in Wisconsin in 2011 was unconstitutional, and

**WHEREAS**, redistricting to achieve partisan gains is improper, whether it is done by Republicans or Democrats,

**NOW THEREFORE BE IT RESOLVED** that the Iowa County Board of Supervisors insists upon the creation of a nonpartisan procedure for the preparation of legislative and congressional redistricting plans, and

**BE IT FURTHER RESOLVED** that the process promotes more accountability and transparency and prohibits the consideration of voting patterns, party information, and incumbents' residence information or demographic information in drawing the maps, except as necessary to ensure minority participation as required by the U.S. Constitution.

**BE IT FURTHER RESOLVED** that the County Clerk is directed to send a copy of this resolution to the Governor of the State of Wisconsin, State Senators and State Representatives representing Iowa County, the Wisconsin Counties Association and to each Wisconsin County.

Respectfully submitted by the General Government Committee.

Adopted by the Iowa County Board of Supervisors this 16<sup>th</sup> day of April, 2019.
