SUPPORTING AB 44 - FAIR MAP-REDISTRICTING LEGISLATION

WHEREAS, reform of the redistricting process that follows the ten-year federal census update has been a growing concern; and,

WHEREAS, representative democracy depends on voters freely choosing their elected officials, not elected officials choosing them; and,

WHEREAS, Wisconsin citizens favor transparency and accountability in the redistricting processes and to reduce partisan practices that hinder effective democracy; and,

WHEREAS, AB 44 (and the companion SB 13) was introduced during the 2017 - 2018 Legislature to provide needed reforms and would, among other items, assign responsibility for updating voting districts to the Legislative Reference Bureau (LRB), provide criteria for the re-districting process consistent with court decisions and the Voting Rights Act; establish a Redistricting Advisory Commission that would advise the LRB and hold public forums throughout the state of the LRB developed redistricting plan; and establish an expedited court review process.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this 14th day of September, 2017, supports AB 44 (and companion SB 13) as it would provide for a redistricting process that is objective, accountable, timely, efficient, and contains a reasonable degree of flexibility.

Respectfully submitted,
