WHEREAS, counties are struggling to recruit and retain child welfare workers; *and*

WHEREAS, the stress of: increasing caseloads, the increased complexity of cases; and the increased needs of the children placed out of home is taking its toll on CPS workers, causing many experienced child welfare workers to leave the profession; *and*

WHEREAS, the leading cause of these increases statewide is the use of heroin, opiates, and methamphetamines; *and*

WHEREAS, it is critical that counties have the resources necessary to ensure the safety of children in every corner of the state; *and*

WHEREAS, counties are struggling to identify resources to increase child welfare staff, especially given the significant overmatch counties already put in the human services system.

NOW, THEREFORE, BE IT RESOLVED that the Bayfield County Department of Human Services Committee does hereby request that the state of Wisconsin, in its 2017-19 state biennial budget, increase funding to counties in the Children and Family Aids allocation to assist counties in serving the increasing number of children and families in the child welfare system and recommends the resolution to the Bayfield County Board of Supervisors for their consideration and approval for their consideration and approval for their consideration and approval; *and*
