

LANGLADE COUNTY

RESOLUTION #44-2017

INTRODUCED BY: PERSONNEL COMMITTEE

INTENT: REAFFIRM WARRANT FEE

WHEREAS, pursuant to Section 814.705, Wis. Stats., the County Board has the authority to establish higher fees for those fees enumerated in Section 814.70, Wis. Stats., including but not limited to fees for warrants; and

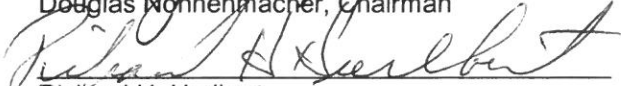

WHEREAS, for over 20 years, the Circuit Court has imposed a warrant fee of \$30 which has been collected by the Clerk of Courts Office; and

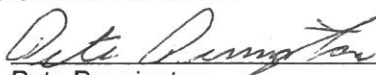

WHEREAS, given the passage of time, it is recommended that the County Board take action to reaffirm the warrant fee as well as the allocation of these fees collected on behalf of the Sheriff by the Clerk of Courts Office.

NOW THEREFORE BE IT RESOLVED, by a majority vote of the Langlade County Board of Supervisors, to reaffirm the warrant fee of \$30 imposed pursuant to Sect. 814.70, Wis. Stats., with said fees collected by the Clerk of Circuit Court on behalf of the Sheriff; and with said fees being accounted for in the Clerk of Court's or Sheriff's Department budget.

PERSONNEL COMMITTEE:

Douglas Nonnenmacher, Chairman

Richard H. Hurlbert

Pete Pennington

Arlene Bonacci

James R. Jansen

FISCAL NOTE: This resolution supports the Clerk of Courts office to continue charging \$30/warrant. At this time, there is no fiscal impact to the Clerk of Court's budget since the fee is not changing. If the fees should start to be accounted for in the Sheriff's Department's budget, instead of the Clerk of Court's budget, the Clerk of Court's tax levy will need to be increased for the loss of warrant fee revenue and the Sheriff Department's tax levy will need to be decreased for the gain of warrant fee revenue.

**ADOPTED BY THE COUNTY BOARD OF LANGLADE
COUNTY THIS 18th DAY OF JULY, 2017.**

Judy Nagel, Langlade County Clerk
