

LANGLADE COUNTY

RESOLUTION #2-2018

INTRODUCED BY: WATER & LAND USE PLANNING, PERSONNEL, AND EXECUTIVE COMMITTEES

INTENT: AUTHORIZE ADDITIONAL HOURS FOR THE SHORELAND PROTECTION SPECIALIST CASUAL EMPLOYMENT POSITION IN THE LAND RECORDS AND REGULATIONS DEPARTMENT

WHEREAS, the current Shoreland Protection Specialist is a casual employee in the Land Records and Regulations Department was created with a limitation on the number of hours that may be worked (i.e., not eligible for benefits such as WRS and health insurance); and

WHEREAS, the current casual employee in the Shoreland Protection Specialist position has reached the limitation of hours and therefore approval by the County Board is required in order to authorize additional work hours, which in effect, will make the position eligible for Wisconsin Retirement System and health insurance benefits.

WHEREAS, keeping the existing employee in the position through 2018 would benefit the department and provide better services for the community; and

WHEREAS, the Water and Land Use Planning, Personnel, and Executive Committees support the Department's effort to continue employment of the current Shoreland Protection Specialist in the Land Records and Regulations Department; and

WHEREAS, funding is available from the Lake Protection Grant to cover the costs of fringe benefits for this position as well as the additional work hours.

NOW, THEREFORE, BE IT HEREBY RESOLVED, by three-quarters vote of the Langlade County Board of Supervisors that the Land Records and Regulations Department be allowed to work additional hours making the casual employment position eligible for fringe benefits.
