

RESOLUTION NO. 32 - 2019

REQUESTING FUNDING FROM THE STATE OF WISCONSIN FOR ROAD REPAIRS
AND IMPROVEMENTS

Background: Wisconsin's diverse economy is dependent upon state roads as well as city, county, and village streets and transit systems across the state. According to "Filling Potholes: A New Look at Funding Local Transportation in Wisconsin," commissioned by the Local Government Institute of Wisconsin (LGI) the condition of Wisconsin's highways is now in the bottom third of the country. State funding for roads in Wisconsin has failed to keep up with costs over the past several decades. Safety is a primary concern and responsibility of governments across Wisconsin and roads that are not maintained cause accidents. Our state highway and interstate system is the backbone of our surface transportation system and plays a vital role in the economy of Wisconsin. Both local and state roads need proper maintenance in order for our economy to grow. Fifty-five percent of Wisconsin's major locally and state-maintained roads have pavement that is in poor condition and 19 percent in mediocre condition. The report blames "inadequate state and local funding" for worsening conditions and estimates that drivers in some Wisconsin cities spend nearly \$1,000 a year on repairs due to driving their vehicles on deteriorating roads. Water and outdoor recreation, along with trails, parks, golf courses, historic sites, and attractions, all work together to draw travelers to Sauk County. Local businesses, all cater to and benefit from traveler spending. Sauk County is among the top counties in the state for tourism. With people coming in and out of Sauk County for tourism, work, and everything in between, the quality of our roads is very important. In order to maintain our economy, Sauk County asks the State to allocate additional funds for repairing and improving all State Highways in Sauk County.

NOW, THEREFORE, BE IT RESOLVED, that the Sauk County Board of Supervisors, met in regular session, hereby requests additional funding from the State of Wisconsin for road repairs and improvements for all State Highways in Sauk County and directs the Clerk to send a copy of this resolution to our State Legislators and to Governor Tony Evers.

For consideration by the Sauk County Board of Supervisors on April 16, 2019.
