

Legislative Exchange

Every February, WCA holds its annual Legislative Exchange. The two-day event hosts over 200 government officials from around the state to discuss key issues facing counties. Attendees include county board chairs, supervisors, executives and administrators representing all 72 counties. In addition, members of the Wisconsin State Legislature, Supreme Court, administration officials and other business associates attend the Tuesday night sponsored reception.

No other WCA event offers this intimate setting for vendors to market themselves to not only county leaders, but state government leaders. Each year, WCA partners with a select group of private sector businesses to sponsor scheduled meal events.

There are a number of marketing opportunities at the event, including sponsorship of meals, breaks and general sponsorships.
