WHAT ARE COUNTIES?

Wisconsin Counties. Helping to make Wisconsin great!
WHAT ARE COUNTIES?

✓ A local unit of government
✓ Administrative arm of the state
✓ Service providers
History of Wisconsin’s Counties

- Counties predated statehood
  - Performed administrative services for the territorial government
  - First three counties were Brown, Crawford, and Michilimackinac (1818)
  - By 1901, Wisconsin had 71 counties
  - Menominee County became the 72nd county in 1961
Type of County Government

- New York Constitution (supervisor) v. Pennsylvania Constitution (commissioner)
- Supervisory form of government prevailed in Wisconsin
  - County boards of supervisors
Governance

✓ County board of supervisors
  □ Serve two-year terms
  □ Elected in even-numbered years

✓ County board chair

✓ Oversight committees
  ○ e.g., county highway committee, emergency management, local board of health, land conservation committee, social/human services board

✓ Board and committee meetings are open to the public
Governance

✓ Each county must have a county executive (11), administrator (23), or administrative coordinator

- County executives are elected
- Administrators and administrative coordinators are appointed by the county board
- Each has different powers and authorities
A Note About Home Rule
