

# 11<sup>TH</sup> ANNUAL 2022 HIGHWAY SAFETY DAYS & MSHA PART 46 REFRESHER TRAINING SAVE THE DATE

Plan to participate in our 2022 Highway Safety Days. The event, held at seven separate locations on seven different dates, will be a day of learning and networking for county and municipal employees. Sponsored by Wisconsin County Mutual Insurance Corporation and Community Insurance Corporation, Highway Safety Days will include training from industry leaders and provide solutions to hazards you face.

## 7 LOCATIONS / 7 DATES

MAY 3, 2022	UW-Platteville   Platteville
MAY 4, 2022	Glacier Canyon Lodge   Wisconsin Dells
MAY 5, 2022	Holiday Inn Conference Center   Stevens Point
MAY 10, 2022	Ozaukee County Fairgrounds   Cedarburg
MAY 11, 2022	Bridgewood Resort   Neenah
MAY 12, 2022	Crandon Community Center   Crandon
MAY 17, 2022	UW-Stout   Menomonie

## HIGHWAY SAFETY DAY INCLUDES:

- » Variety of Safety Training Topics & Speakers
- » Qualifies for 7.5 hours of MSHA Annual Refresher Training
- » Annual Audiograms
- » Breakfast & Lunch

*"Thank you to Jodi and the entire crew at County Mutual for putting this training together again for 2021. We were unable to have in-person training, so the training video package gave us a cost effective solution that allowed us to comply with MSHA and group size requirements. The variety of topics selected kept the crew engaged and led to great discussions!"*

*- Chad Johnson, Pierce County Highway Commissioner*

## REGISTRATION INFORMATION

Safety training topics, registration information and specific location details will be available in March. If you have any questions, please contact Jodi Traas, Senior Risk Management Consultant, at [jodi.traas@charlestaylor.com](mailto:jodi.traas@charlestaylor.com) or at 800.511.9797.

## COVID-19 PANDEMIC

The Wisconsin County Mutual Insurance Corporation and Community Insurance Corporation are planning the 2022 Highway Safety Days to take place in-person. We may move the training to a virtual format in the event of the continued threat of the COVID-19 Pandemic.
