Physical Needs

Basic Training

A light-colored dog, possibly a Weimaraner, is standing on a tiled floor in a dimly lit room. The dog is facing the camera and appears to be looking down at the floor. In the background, there is a wooden chair and a patterned curtain. The text "Developing confidence in Josie to face hard surfaces." is overlaid on the image in a large, white, sans-serif font.

Developing
confidence in
Josie to face
hard surfaces.

Community Based Training

Confidence Building
Real-World Experience
Community Education

It's time to find that
perfect match!

We match the dog's
personality with
the Veterans.

Veteran Training and Bonding
