

**Request Wisconsin Department of Transportation to Prioritize the State Highway 13 Project
(County Highway D to County Highway F)**

WHEREAS, the portion of State Highway 13 within the City of Phillips has been severely deteriorating over the past decade; and

WHEREAS, the City of Phillips is dealing with failing infrastructure under this section of roadway that often requires closing of sections of this road to make repairs to the failing infrastructure, causing business disruptions, dangerous conditions and rerouting of state highway traffic; and

WHEREAS, the Wisconsin Department of Transportation (WisDOT) has had the reconstruction and pavement replacement of State Highway 13 from County Highway D to County Highway F on their project list for several years; and

WHEREAS, as recently as 2021, the WisDOT scheduled this project for 2023; and

WHEREAS, with the most recent road construction listing, this project has now been moved to 2026.

NOW THEREFORE BE IT RESOLVED that the Price County Board of Supervisors requests the Wisconsin Department of Transportation to prioritize the State Highway 13 construction project from County Highway D to County Highway F and bring this project forward in the construction schedule.

BE IT ALSO RESOLVED, that his resolution be sent to Governor Evers; Wisconsin State legislators representing Price County; Craig Thompson, Secretary WisDOT; Tony Kemnitz, WisDOT Regional Safety Engineer; Wisconsin County Highway Association and the Wisconsin Counties Association.
