Marinette County Finance Department
Fiscal Impact Statement

Number 570-23

Ordinance

Resolution

**REQUESTING STATE OF WISCONSIN USE A PORTION OF THE
EXISTING STATE BUDGET SURPLUS TO INCREASE FUNDING
FOR COUNTY TRUNK HIGHWAY SYSTEM**

Fiscal Impact Statement:

The General Transportation Aids (GTA) program enables local governments to receive state aid payments to offset the cost of county and municipal road construction, maintenance, and traffic operations. The increase in GTA funding will result in an increase in revenue in the county roads and bridges special revenue fund.

The Local Roads Improvement Program-Supplement (LRIP-S) enhances the amount of assistance available to local governments for improvements within the LRIP. LRIP-S is a cost share program that provides up to a 90% state match for approved projects.

As the amount of funding to be allocated by the State to the county trunk highway system is unknown, the fiscal impact to the county cannot be determined at this time.
