

RESOLUTION ON ENHANCED WAKE REGULATIONS

WHEREAS: the lakes of Sawyer County, Wisconsin are integral to the recreational base of the economy in Sawyer County.

AND WHEREAS: Legislation has been proposed to regulate wakesurfing and wakeboarding,

AND WHEREAS: the legislation as currently written fails to set minimum standards for the protection of private property, public safety and enjoyment, and aquatic environments,

AND WHEREAS: several towns in Sawyer County have already set standards that use evidence from aquatic and engineering studies which protect shorelines of lakes in Sawyer County from erosion by these enhanced wakes,

AND WHEREAS: the legislation fails to include a standard related to wake depth that would protect water quality in lakes from scouring by enhanced wakes,

AND WHEREAS: The legislation repeats standards already in place in other statutes,

THEREFORE, be it resolved that the Sawyer County Board of Supervisors does recommend that the Wisconsin Legislature engage in meaningful discussions to pass standards that balance the right of everyone to recreate on waters of the State of Wisconsin, by affirming that;

Wisconsin’s local governments deserve local control to set their own standards beyond state minimums, of at least 700 feet from the shore, and to prohibit enhanced wake creation in waters shallower than at least 30 feet in depth.

Recommended for adoption by the Sawyer County Board of Supervisors at its meeting on November 14, 2023, by the Land, Water and Forest Resources Committee at their November 8, 2023 meeting.
